

Billing Policy

Newtown Medical Centre is a private billing clinic and fees are charged at the discretion of the treating doctor.

Pension and Health Care Card Holders are offered a reduced consultation rate.

We request payment on the day (cash, eftpos, credit card) and if you have your bank details registered with Medicare they will arrange prompt reimbursement of your rebate to your nominated bank account.

If cost is a barrier to your health care please talk to your doctor.

Out of Pocket Costs

Seeing your doctor at Newtown Medical Centre.

We are a private billing practice and there will be out of pocket costs for seeing the doctor and for any procedures you may have done at the clinic. Please check with your doctor or the reception staff if you have any queries or concerns about the cost of your care.

When you have been referred for further treatment or investigation.

There may be out of pocket costs associated with investigations or consultations with other health care providers. We recommend you contact the provider and check the fees.

If you have any problems or concerns please let your doctor know and they will discuss options.
